

# WHAT IS RAMEN?

Ramen is a Japanese noodle and soup dish which is one of the most popular dishes in Japan. Ramen is now popular in USA, European countries, and many other countries all over the world.

Our handmade noodles are made with the secret recipe from our restaurant in Tokyo Japan, and we make our thick and rich soup by boiling chicken bones and feet with special ingredients for 8 hrs. Here you can enjoy "Tokyo, Japan".

## HOW TO USE CHOPSTICKS

- 

1 Hold your dominant hand as if you are going to shake hands with someone.
- 

2 Secure the first chopstick in the crook between your thumb and index finger.
- 

3 Place the second chopstick on top and hold it with your thumb and index finger.
- 

4 Tuck your ring finger underneath the first (lower) chopstick.
- 

5 Tuck your middle finger underneath the second (upper) chopstick. To pick up food, move the second chopstick up and down to grip pieces with the ends of the two chopsticks.
